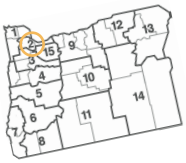
# Employer Perspective At A Glance . . .
## *Region 2*



The graphs shown here contain results from the 2008 Oregon Employer Survey conducted by the Oregon Employment Department in partnership with local Workforce Investment Boards.

The survey asked 339 employers in Region 2 in the summer of 2008 for their view of the local workforce.

The full report, *The Three R's of Employment - Recruitment, Retention, and Retirement*, is available on www.QualityInfo.org under Publications.

**Percent of Employers Who…**

| | Region 2 | Statewide |
|---|---|---|
| Hired or tried to hire last year | 69% | 69% |
| Had difficulty finding qualified workers | 41% | 45% |
| Feel that turnover is a significant problem in their organization | 19% | 20% |
